Identifier System**

RFP #: 815200-20141001001

Amendment Date: October 14, 2014

1.1 PURPOSE

Amendment #1 provides a response to written inquiries received as a result of the initial posting and subsequent changes to the RFP in accordance with the schedule established in the RFP.

THIS AMENDMENT IS HEREBY OFFICIALLY MADE A PART OF THE REFERENCED REQUEST FOR PROPOSALS.

1.2 QUESTIONS AND RESPONSES

1. We are impressed with how well and fully you have expressed the requirements of the system and of the proposal in the RFP. In order to responsibly develop the architecture, assess the impact of interfaces, and answer each requirement completely, we would like to have an additional two weeks, i.e., an extension of the due date to November 14, 2014. We believe that you will be more likely to receive the quality responses you deserve by taking this action.

The State will not grant the requested extension. All proposals are due according to the Calendar of Events in the RFP (October 31, 2014 at 3:00 PM CST).
